

Cardinal in the fall

Design by Pamela & Charles Voth

Fabrics Needed

Scraps of quilting cotton in 9 colours, 5 reds for the bird, brown for the branches, green for the background foliage, black for the face and foot, and grey for the eye. See page 5 for amounts.

Instructions

Print and cut out pages 7 to 14 ensuring not to “scale” or “print to fit” the pages. Shape T1 is in 2 pieces and needs to be glued along edge where indicated. Comparing the diagrams on pages 5 and 6 find the shapes you have cut according to their alphabetical labels and write the corresponding colours from the colour diagram.

Using foundation paper piecing technique join the pieces as follows
